---

## OBJECTIVE

---

A highly qualified and competent computer science professional with observant and excited nature seeking a job in development field where I contribute my knowledge, skills and experience for the raising of the company while studying and making myself progress with the company.

---

## ACADEMIC QUALIFICATION

---

- [2015-2019] BACHELORS OF SCIENCE IN COMPUTER SCIENCE  
NED University, Karachi.
- [2011-2013] INTERMEDIATE IN PRE-ENGINEERING  
Forman Govt. College, Karachi.
- [2009-2011] MATRICULATION IN COMPUTER SCIENCE  
Blue Horizon School, Karachi.

---

## PROJECTS

---

- [2017 - 2018] Image Detection With Real Time Object Classification With List App (FYP)  
A Desktop application which delivers a list with categorization of object with count and name of objects. This project is dataset oriented.
- [2017] Vacuum Cleaner (AI Course Project)  
Developed a system in console using python that can detect irregularities or defects in ceramic tiles.
- [2017] Project Management (VP Course Project)  
A Dot.Net project that allows easy management and tracking of various projects running in the organization and the people assigned to the respective projects.
- [2016] Traffic Management(Microcontroller project)  
Design a traffic model utilizing vehicles and pedestrian tracks and zebra crossing. Traffic lights controlled through microcontroller(arduino).
- [2016] HUTS Breakout(CG Lab Project, Mini Game)  
Developed an arcade game in C++ which a ball traverses across the screen, bouncing off the top and side walls of the screen. When a brick is hit the ball bounces away and the brick is decimated.

Email Address: areebiqbal222@gmail.com

- [2015] Intruder Alarm (DLD Course Project)  
Build a circuit which capable to detect and trace destruction using ultrasonic sensor and it will go through the amplifier and light up LED as well as sound the buzzer when sensed the damage accordingly.
- [2015] Snake Game (Programming Fundamental Course Project)  
Design snake game using C++ programming languages with specification enhancement of sharpness of spirit with increasing level.

---

## TECHNICALSKILLS

---

- Languages: C, C#, C++, HTML5, Php, SQL, MySQL, MS Office, Adobe Photoshop
- OS: Linux, Windows
- Development Platform: MS Visual Studio, MATLAB, Cisco Packet Tracer
- Rasberry pie, Aurduino and working on sensor
- Desktop Support

---

## EXPERIENCE

---

- [2016 –Currently Working] Freelancing  
Design impressive interfaces of web, android and desktop application
- [2019-2.5 Months (Nov-Jan)] Internship  
Pak-Qatar family takaful in claims department, Karachi.

---

## ACHEIVEMENT

---

- Have been awarded first position for winning Innovative Idea Competition.

---

## PERSONALINFORMATION

---

- **Father Name** : Iqbal Hussain
- **Date of Birth** : 22-Sep-1997
- **CNIC No** : 42101-0897792-9
- **Nationality** : Pakistani
- **Marital Status** : Single

---

## REFERENCE

---

To be furnished upon insistence.
